

ANANYA SHARMA

UI/UX DESIGNER

8171344005 | annanyasharma7918@gmail.com

[Behance](#) | [Linkedin](#) | [Portfolio](#)

PROFILE

UI/UX Designer with 4.5+ years of experience creating responsive web and mobile products across consulting and travel technology. Skilled in turning complex workflows into clear user journeys, wireframes, prototypes, polished interfaces, and reusable design patterns.

EDUCATIONAL TRAINING

University of Petroleum and Energy Studies

2018-2022

B.Tech. in Computer Science with specialization in Graphics and Gaming

St. Mary's Senior Secondary School

XII (88%) | X (89%)

SKILLS

Product & UX

User flows, information architecture, wireframing, interaction design, rapid prototyping, responsive web and mobile UI

Systems & Delivery

Design systems, reusable components, accessibility-aware design, usability evaluation, design QA, developer handoff

Design Software

Figma, Adobe Illustrator, Photoshop, XD, Animate

Others

Augmented Reality (AR), Virtual Reality (VR)

PROJECTS

AR Tourism | UPES | Jan-May 2021

- Designed the application UI for an AR portal offering virtual tours of monuments.

Sharing Application | UPES | Aug-Dec 2020

- Designed an Android interface for device-to-device data transfer.

BODMAS Game | UPES | Jan-Jun 2020

- Designed the interface for a game based on mathematical operations.

CAREER SUMMARY

ZS - UI/UX Designer | Oct 2024 - Present

- Drive end-to-end UX/UI design for complex digital workflows, from problem framing and journey mapping through interactive prototypes and production-ready interfaces.
- Translate business and user requirements into flows, wireframes, and responsive high-fidelity designs, including loading, empty, error, and permission states.
- Partner with product managers, engineers, and stakeholders in design reviews, balancing user needs, feasibility, and delivery constraints.
- Contribute reusable components, interaction patterns, and design documentation; review implemented experiences for consistency and accessibility.

TravClan India Pvt. Ltd. - UI/UX Designer | Feb 2022 - Oct 2024

- Designed customer-facing and internal travel products across responsive web and mobile, simplifying booking and servicing journeys.
- Converted requirements into user flows, wireframes, interactive Figma prototypes, and polished interfaces for stakeholder review and engineering handoff.
- Improved clarity and consistency through reusable patterns, layout standards, and component-level design thinking across multiple initiatives.
- Collaborated with product, business, and engineering teams, iterating from feedback to strengthen usability and customer experience.

Thrity Software Pvt. Ltd. - UI/UX Designer | Jul 2021 - Feb 2022

- Designed user-centered websites and Android application experiences from screen flows through final UI.

Yoganta Technologies Pvt. Ltd. - UI/UX Designer | Jun 2021 - Aug 2021

- Created user-centric website and application interfaces focused on clarity, consistency, and ease of use.

CERTIFICATION

Interaction Design Foundation

- Web Design for Usability - November 2022
- Human-Computer Interaction - October 2022
- How to Design for Augmented and Virtual Reality - November 2021
- Interaction Design for Usability - November 2021
- Become a UX Designer from Scratch - September 2021
- Mobile User Experience Design - August 2021

Coursera: Fundamentals of Graphic Design; Programming for Level Design; Introduction to Game Development.
